Welcome to Vomero

This brochure aims to demonstrate the outstanding quality of the apartments at Vomero and the fantastic facilities & surroundings offered by this unique house.

Detailed room plans and photos of each apartment are available on our website: www.vomero.co.uk

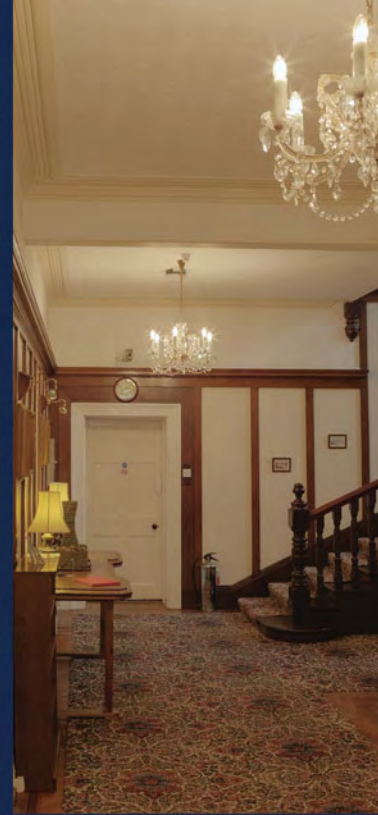

Our policy is attention to detail, from spotless cleaning to the provision of home comforts for the individual or families; such as a DVD library, internet access, children's game area and outdoor dining equipment including barbeque & picnic hampers.

Vomero is the earliest known Italian style Villa in Torquay and has been tastefully converted to preserve its character but at the same time affords all modern requirements.

Vomero also has an impressive history. Isambard Kingdom Brunel resided here in 1848 and the Emperor Haille Selassie lived here after Mussolini invaded Ethiopia in the Second World War.

Vomero faces due south and receives maximum sunshine. The Villa stands in a quiet conservation area surrounded by most attractive lawns and gardens. The apartments are within easy reach of the harbour, town centre and beaches.

Further afield; Plymouth Aquarium, Plymouth Barbican Glassworks, Plymouth Dome, House of Marbles, Morwellham Quay, Dartington Glass and of course the now famous Eden Project

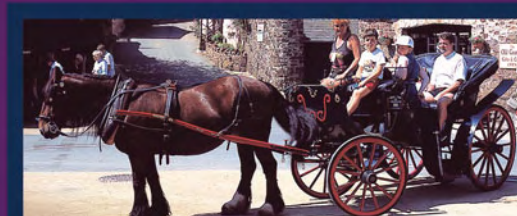

Beautiful Torbay

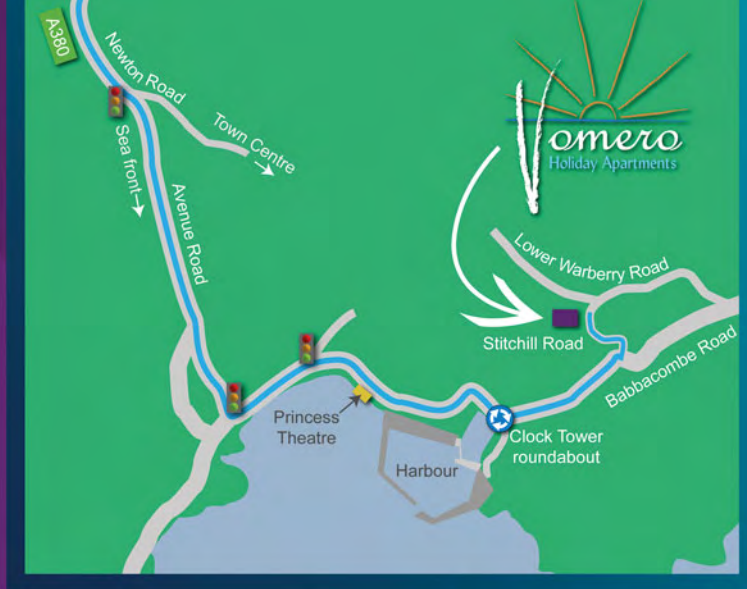

The towns of Totnes and Dartmouth offer a different shopping experience as does the Cathedral City of Exeter.

Take a horse drawn carriage ride from the seafront to the ancient village of Cockington. Walk amongst the splendid award winning gardens. Visit the Manor and the craft workshops or browse the brasses of the Forge before enjoying a meal in the thatched Tavern.

Torquay has become the most popular holiday resort in the UK. The town has a very cosmopolitan feel with a range of wine bars, bistros and restaurants all over the town.

Take an evening stroll along the harbourside and you will discover just how much is at hand, giving you more choice than you require.

Take the M5 to junction 31 then follow signs for Torquay (A380).

On arrival in Torquay, follow signs for the seafront and not the town centre. When you reach the seafront, turn left and follow the road past the Princess Theatre and the harbour on your right.

At the clock tower roundabout bear left towards Babbacombe. Stitchill Road is the fifth turning on the left hand side, about ½ mile from the roundabout.
